STAT

Dear Al:

Thank you for your 28 December 1983 memorandum concerning the Foreign Language Committee's briefing to the President's Foreign Intelligence Advisory Board (PFIAB). We understand that the presentation by the Foreign Language Committee, originally scheduled for the 12 January PFIAB meeting, will be rescheduled. Mr. Craig Wilson will certainly be available to participate in any program or briefing that is subsequently developed.

We would appreciate feedback on the PFIAB's reaction to such a briefing, especially on any recommendations they may provide to the DCI or the President concerning DoD programs. Please let us know if we can be of further assistance.

Sincerely,

A handwritten signature, likely "Klein", is written in cursive below the word "Sincerely,".
